Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE CHRISTMAS MINK: AND OTHER DECEMBER TALES FROM THE NORTH WOODS (PAPERBACK)

Rascal Press, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Christmas Mink and Other December Tales from the North Woods brings the spirit of the season alive. In this whimsical collection of Christmas stories and poems from the snowy north woods of New England, see the season in a new light and find the holiday spirit in unlikely places - in Siberia, from the tail of the Christmas Comet, or even your own tree. In the title tale, The Christmas Mink, young Will, worried about finding a gift for his generous mother, receives a miraculous gift courtesy of a talking mink. In Coal, hapless elves Jeremiah Blizzard and Artie Sleet must travel to Siberia to gather Santa's supply of coal for his list of VBKs (very bad kids). Follow noble Tobias the donkey on a journey of undeniable importance. Join curmudgeonly old woodsmen, living ornaments, a congress of talking animals, a horde of helpful mice and one grandiose moose in these rousing December tales certain to please both cynic and celebrant alike.
