

The Pirate Handbook: A Dictionary of Pirate Terms and Places (Paperback)

By Jerry Breverton

Glyndwr Publishing, United Kingdom, 2004. Paperback. Condition: New. New title. Language: N/A. Brand New Book. This is the fourth book written by Terry Breverton in a series on pirates and piracy. Since piracy has existed ever since men first set sail on the high seas, this practical, dictionary-styled handbook is teeming with every kind of piratical and nautical fact associated with this period in history. Some of the many interesting facts included describe the types of sailing vessels used by pirates, the seas they sailed on, which flags were flown, what type of food they ate, which jokes they told and where the pirate havens were. There are even descriptions of some of the most famous pirates themselves, such as Black Bart Roberts and Edward Teach, more famously known as Blackbeard. The origins of familiar expressions used in everyday language today are also explained in clear detail. Who would have thought that pirates were the source of such sayings as the bitter end, no great shakes, armed to the teeth and take down a peg or two? Or take the wind out of his sails, hoisted with his own petard, clean bill of health or...

Reviews

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Prof. Dale Fahey MD

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
