

Dubai, from the scratch until today - A new vision of tourism?

Filesize: 1.35 MB

Reviews

This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).

GRIN Verlag Jul 2010, 2010. sonst. Bücher. Book Condition: Neu. 212x149x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Tourism, grade: 1,7, Stralsund University of Applied Sciences, language: English, abstract: You can never understand Dubai if you have not been there. But being there is no guaranty for comprehension either! Dubai is the place of the ultimate superlatives. Nothing is impossible and dreams can come true. Like in a modern fairytale, in Dubai everything seems to be possible and what shines seems to be made of gold Skiing in the desert, clubbing in an Islamic country, the famous Palm and upcoming Dubailand to name only some of the numerous attractions Dubai has to offer.I had the great opportunity to be part of an outstanding excursion to the United Arab Emirates with main interest on Dubai and to get an impression of one of the most fascinating destinations in the world. Not only as a tourist, but with the possibility to experience Dubai from a different sight, I had the chance to make up my mind about a fascinating city that never sleeps.For this reason my interest in Dubai arose and makes me take a closer look on Dubai.How did Dubai become what it is today How can it fulfil it s own premises to still grow and develop And how can a single person, His Highness Sheikh Mohammed bin Rashid Al Maktoum, be responsible for all this With the following assignment I try to answer these questions by giving an overview of Dubai s history, the current touristic situation in Dubai and the vision of Dubai in 2015. 20 pp. Englisch.
