Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The financial collapse of 2008 reminds us that we can lose half our assets quicker than divorce court. So where can the average person put their money where they can have more stability, but still get better returns than a savings account? Residential rental real estate is one way, but what if you already work too many hours and aren't handy around the house? And what about those horror stories about unclogging toilets at 3 a.m.? In **Real Estate Rebel**, Ken lays out a number of strategies that can work for nearly anyone. Single family homes, duplexes, multi-family complexes and syndication. He also reveals some simple but game changing money and debt management techniques that can make you richer without doing any extra work. Ken is an ardent student of the 80/20 Rule which states that 80 of our results tend to come from about 20 of our efforts. And that's what this book is really about. Having all the success with half the hassle.
