

The role of trade in ending poverty (Paperback)

By -

World Trade Organization, Switzerland, 2015. Paperback. Condition: New. Language: English . Brand New Book. The Role of Trade in Ending Poverty looks at the complex relationships between economic growth, poverty reduction and trade, and examines the challenges that poor people face in benefiting from trade opportunities. Written jointly by the World Bank Group and the WTO, the publication examines trade and poverty across four dimensions: rural poverty; the informal economy; the impact of fragility and conflict; and gender. The publication looks at how trade could make a greater contribution to ending poverty by increasing efforts to lower trade costs, improve the enabling environment, implement trade policy in conjunction with other areas of policy, better manage risks faced by the poor, and improve data used for policy-making.
