Excerpt from Yorkshire: Its Scenes, Lore and Legends; Elaborated From a Prize Essay Written for the Bradford Geographical Exhibition, 1887 One cannot but regret that he wrote so little of York shire. Had his thoughts been directed to its other dales, as Rokeby directed them to Teesdale, his pen would have found in them all scenes worthy of its power; scenes, charming or awe-inspiring in themselves, that needed but his master-touch to make them doubly so. It is to be hoped that one of Yorkshire s own sons may yet arise to do for these scenes what he did for Scotland. But if meanwhile we must be content with less vivid pic tures, manhood and youth alike may still find both pleasure and profit in them. To the up-grown there is wide seepe, not only for self-cultivation, but for adding to the sum of human knowledge, in studying the origin, surroundings, and associated lore of localities. Combine these branches with the Geographical and Topographical instruction of the young, and we have a subject that stirs up the spirit of inquiry, quickens the imagination,...
