This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Marion Street Press Inc., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. When Bob Dylan crooned, The answer, my friend, is blowin in the wind, it turned out a lot of people thought he had declared an odd but worthy allegiance to tiny creatures in trouble: The ants are my friends, blowin in the wind! Word lovers, pun lovers, music lovers, slaphappy kids, and everyone with a sense of humor will groan mightily at this collection of just such misunderstood, borrowed, fractured, and pun-filled versions of song lyrics, compiled by two talented humorists, both former International Punsters of the Year.
