Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Architectural Record, Vol. 32 Tin-tuis rs crv in the United States which arouses so much enthusiasm and devotion among its citizens as does the city of Seattle. All the rapidly growing cities of the West arouse the same kind of pride and interest. But Seattle is more enthusiastic. Because in the opinion of its citizens it has so much more to be enthusiastic about. It is proud of its phenomenally rapid growth of the varied sources. Of its economic prosperity of its superb location of its private and public works and of its very ?atter ing prospects. Its enthusiasm partakes almost of the character of a religion. Several thousand of its leading citizens found nothing undignified or absurd in assembling in solemn conclave and burning an effigy of that most detestable of all traitors. The man who criticizes his own city. The knocker is anathematized as heartily in Seattle as was the heretic in Mediaeval Spain. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
