

The Facts of Reconstruction (Paperback)

Filesize: 2.13 MB

Reviews

It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Facts of Reconstruction is John Roy Lynch s fascinating and detailed account of the USA s political situation following the conclusion of the American Civil War. As a Speaker in the Mississippi House of Representatives, John R. Lynch was one of the first-ever black politicians. As such, the victory of the Union forces in 1865 directly influenced his life and career. Simply by virtue of emancipation, Lynch was a major stakeholder in the reconstruction efforts between the Union north and the secessionist south. He consequently felt obliged to author this retrospective history covering the major political events and turning points. Immediately after the American Civil War concluded, the USA was in a fractured and fraught state. The assassination of Abraham Lincoln, who sought to mend bridges and reconcile with the secessionist states, exacerbated the situation further. The 1860s, 1870s and 1880s were thus a tumultuous time for American politics, in which reforms were hard fought and incremental in the various states and nationally at the federal level. Writing in 1913, Lynch charts the journey made over those difficult decades, drawing on his personal experience as a member of Mississippi s House of Representatives, and the national record. He charts the various elections, and the evolution of the Republican and Democratic parties as distinct wings of the political landscape. Various events, such as the rise of Democratic radicalism in the South, and the election of Grover Cleveland to the Presidency, are detailed. In all, The Facts of Reconstruction offers a reasonable overview of a transitional period in U.S. politics from an insider. The ongoing racial conflicts following the emancipation of African American slaves are charted alongside the personal traits, ideals and...
