

The Sustainability Generation: The Politics of Change Why Personal Accountability Is Essential Now

By Mark Coleman

Select Books (NY). Paperback. Book Condition: New. Paperback. 304 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. Life on Earth is increasingly at risk. What to do about rescuing our planet, and ourselves, is a growing concern for people of all ages and all walks of life. Mark C. Coleman's groundbreaking book, *The Sustainability Generation: The Politics of Change and Why Personal Accountability is Essential NOW!* takes a cold, hard look at the facts about where we stand and how to move forward. The Sustainability Generation is beyond simply another green book in that it focuses on the poisonous influence of our acquisitive culture and its root cause - entitlement. Our culture of entitlement encourages the belief that instant gratification is our right; this in turn erodes our sense of duty toward anything outside of these immediate desires. Our consumption habits are out of control and they are sabotaging our destiny. In response to this, Mr. Coleman argues that nurturing our sense of personal responsibility, and squashing our hunger for more stuff is the single most important step toward saving our world for future generations. The Baby Boomer generation is retiring and the so-called Generation Y will soon receive the largest transfer of...

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
