Xulon Press, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In *Confronting Abortion Distortions*, authors Rhonda and Richard White go beyond the standard rhetoric of the hot-button issue of abortion. More than mere opinion, the authors give informative, easy-to-understand explanations of medical procedures, birth control options, scientific studies and research, as well as detailed breakdowns of the legalities surrounding the process and the industry. They also sort through topics such as abortion recovery, abortion healing, abortion history and the general opinions and misconceptions about abortion in America. Balancing biblical truth with research and statistics, Rhonda and Richard White have compiled a revealing, educational, gripping look at one of the most misleading and divisive issues in America today.
