CURING BURABURA (PAPERBACK)

Xulon Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. CURING BURABURA is a unique collection of true stories, creative insights, poems, and photos of scripture sculptures that help unravel the truth behind the world around us. Each page takes people deeper into understanding the amazing grace and intensity of living in relationship with God Almighty. Many people have been thrown into spiritual shock and confusion (burabura) by drastic cultural change and disastrous circumstances that cannot be reconciled with the whimpy, overly-affectionate, non-judging God concepts being paraded around today. The author speaks the truth in love and exposes bogus philosophy and theology while exalting the true and Great Shepherd of our souls. What People are Saying About: Curing Burabura A convincing and creative personal account of what is needed to heal America s spiritual apprehensions and aimlessness. The great true-life stories help underscore the deep truths in this book. God help us all to have ears to hear what is being said to us in this book. We all need to learn to think more outside the box when it comes to some of our beliefs. Bravo! Millson openly shares what many church leaders are afraid to say to this nation full of people with selfish and hard idolatrous hearts. Jim and his wife Kathy raised their three sons in the western foothills of Washington s North Cascades. Their home sits soundly atop bedrock between a picturesque waterfall out one living room window, and a view of 10,750 foot glaciated Mt. Baker out the other. Jim is a keen observer of the culture around him. His in-depth travels, education and community involvement have given him a fascinating perspective into our world. WARNING: The Devil will distract you any way he can...
