

Hotel Dreams: Luxury, Technology, and Urban Ambition in America, 1829-1929 (Paperback)

By Molly W. Berger

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Winner, 2012 Sally Hacker Prize, Society for the History of Technology. Hotel Dreams is a deeply researched and entertaining account of how the hotel's material world of machines and marble integrated into and shaped the society it served. Molly W. Berger offers a compelling history of the American hotel and how it captured the public's imagination as it came to represent the complex and often contentious relationship among luxury, economic development, and the ideals of a democratic society. Berger profiles the country's most prestigious hotels, including Boston's 1829 Tremont, San Francisco's world-famous Palace, and Chicago's enormous Stevens. The fascinating stories behind their design, construction, and marketing reveal in rich detail how these buildings became cultural symbols that shaped the urban landscape.

Reviews

This sort of publication is almost everything and taught me to hunting forward and much more. Yes, it is actually play, continue to an amazing and interesting literature. I am pleased to tell you that this is basically the best book we have read through inside my individual life and could be the finest book for ever.

-- **Enrique Ritchie Sr.**

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).
