Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life on the Mississippi (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War, and also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the War. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the cub (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled Old Times on the Mississippi. Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger, referring to himself as a fledgling and a boy who ran away from home to seek his fortune on the river, and playing up his own callowness and naivete. In the second half, Twain narrates his trip many years later on a steamboat from St. Louis to New Orleans. He describes the competition from railroads, and the new, large cities, and adds his observations on greed, gullibility, tragedy, and bad architecture. He also tells some stories that are most likely tall tales. Simultaneously published in 1883 in the United States and Great Britain, the book is the first submitted to a publisher as a typewritten manuscript. A stirring account of America's vanished past. The book that earned Mark Twain his first recognition as a serious writer. Discover the magic of life on the Mississippi....
