Reviews

Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.

(Dr. Bethany Lindgren)

COLORS OF SILENCE

Partridge India, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Hope and redemption. Enigma and perdition. The wheel of time revolves, encompassing something unfathomable-from the depths of abyss to the roads of redemption. This book of poetry weaves the threads of hope in a background of oblivion; the memories of a childhood to the last days of life; the last of the twilight to the darkness of the night; the iridescence of life to the dark roads of damnation. This eclectic collection of poems will leave you with an upsurge of emotions; bringing before you the masters of the universe-life and death-the joy of life and the shadow of death.
