OUT IN CHINA!

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE question propounded above will be found in Mrs. Little s admirable book, as the heading of her ninth chapter, and is one that is likely to remain for some time unanswered, for the reason, perhaps, that what is everybody s business is in reality no one s business. Great Britain cares nothing about China, save when it shows signs of becoming lost to us as a market, and latterly we have been too busy elsewhere to pay much attention to it even in that respect. The other Powers are interesting themselves to a slight extent in China s fate, but only in proportion as they are jealous of one another s advance. No serious consideration is given to the question of China s future, mainly because, as it would seem, so few people are able to form any conception of what will be the outcome of existing complications. As Mrs. Little aptly expresses it, through the medium of one of her most cleverly drawn characters-for be it understood that Out in China is an up-to-date novel-when you go to such a dreadful big country you ought to be prepared for there being always trouble somewhere or other. One comfort is, it is a long way off. And the conclusion she arrives at, on her penultimate page, is that men out in China have given up hoping for anything now. Since the summer of 1900 they do not even grumble, and when Englishmen have given up grumbling you may know that they are hopeless indeed. The foregoing quotations will suffice to show that Mrs. Little must be adjudged as having written a novel with a purpose. Based upon...
