By Steven Poole

Grove Press / Atlantic Monthly Press, United States, 2007. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. What do the phrases pro-life, intelligent design, and the war on terror have in common? Each of them is a name for something that smuggles in a highly charged political opinion. Climate change is less threatening than global warming ; we say ethnic cleansing when we mean mass murder, A completely partisan argument can be packed into a sound bite. Words and phrases that function in this special way go by many names. Some writers call them evaluative-descriptive terms. Others talk of terministic screens or discuss the way debates are framed. Author Steven Poole calls them Unspeak. Unspeak represents an attempt by politicians, interest groups, and business corporations to say something without saying it, without getting into an argument and so having to justify itself. At the same time, it tries to unspeak--in the sense of erasing or silencing--any possible opposing point of view by laying a claim right at the start to only one way of looking at a problem. Recalling the vocabulary of George Orwell's 1984, as an Unspeak phrase becomes a widely used...
