White, is the son of Bishop Alma White, the founder of the Pillar of Fire movement. He is a graduate of Columbia University and has received his Master of Arts degree from Princeton University. Mr. White is dean of our Alma College in New Jersey, and has had a number of years of experience in the training of young men and women. He is qualified in every way to speak with authority on the subjects herein treated. The book is a golden treasury of knowledge, especially for those who desire to reach the highest efficiency, and are therefore striving for the best spiritual and mental equipment. The book is written by an expert, and is packed full of essential things. It is a guide and guard to character building, and will be read with pleasure and profit by all who do not wish to become old fogies in their habits and thinking. The substance of many of these chapters was delivered as lectures at various times to students and Christian workers, and the favor with which they were received, and the desire to help a wider circle, has induced the author to put them in this permanent form.
