Becoming an Emotionally Intelligent Teacher (Paperback)

By William Powell, Ochan Kusuma-Powell

Skyhorse Publishing, United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Are you an emotionally intelligent teacher who engages your students in learning? Because teaching behaviors and personalities can affect student achievement, teachers who develop their emotional awareness and interpersonal skills are better able to manage their classrooms and promote student success. Based on Daniel Goleman's five components of emotional intelligence, this guide shows how self-awareness, self-regulation, motivation, social awareness, and relationship management can help teachers increase their effectiveness in the classroom. The authors provide research, case studies, and essential tools that help teachers to:

- * Understand how their conscious and unconscious behaviors affect the learning environment
- * Refine their verbal and nonverbal communication skills
- * Manage their feelings and frustrations
- * Interpret student behaviors, developing insight into how students perceive their teaching styles
- * Hone their presentation skills

Becoming an Emotionally Intelligent Teacher includes practical activities and exercises that are perfect for enhancing your emotional intelligence independently or as part of a professional development opportunity.

Reviews

This ebook may be worth purchasing. it absolutely was writtem quite flawlessly and beneficial. I discovered this ebook from my dad and i suggested this pdf to discover.

-- Maximilian Wilkinson DDS

These types of ebook is the greatest book available. Better then never, though i am quite late in start reading this one. I am just very happy to explain how here is the very best pdf i actually have read through inside my individual daily life and can be he greatest book for ever.

-- Camryn Runolfsson
