DILATION OF TIME AND SPACE: AN EXAMINATION OF THE TRUE NATURE OF SPACETIME

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English. Brand New Book ***** Print on Demand *****. This book examines existence of dilation of time and dilation of space introduced by Albert Einstein in Special Relativity and General Relativity. The author uses string theory introduced in his previous publication under the title Absolute String Theory to explain gravitation and time deviations without resorting to ideas like time or space dilation or contraction. By this way,...

Reviews

This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.
