Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Early Notices of Toronto The French settlers in Canada soon had reason to feel alarm at the audacity of the English of the Atlantic seaboard, who were un ceasing in their efforts to draw away the trade from the channel of the St. Lawrence. Their emissaries were everywhere, tampering with the native tribes even in the territories confessedly French. In connexion with proceedings of this kind the name of Toronto comes up in the year 1686. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
