iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Vulnerable Emotion, is a thought provoking approach to exposing the demons and torments in which the human race desperately try to conceal. David Marken has taken the hidden wounds of our past and branded them as the answers to why individuals and their society will never find peace as one. Focusing on powerful topics such as death, neglecting, hatred, and violence, Marken vividly brings to life the human mind and all of its lost thoughts. A Vulnerable Emotion has the striking power to provoke thoughts that as humans, we never knew existed or were too petrified to consider. With such expressions as: I will mangle your structure Strangle you to silence Engage you with invisibility Marken provides an entirely new process of thinking and analyzing the turmoil that corrupts our hearts and society. A Vulnerable Emotion also features heart clenching entries on the terrors of domestic violence, lost love, mental illness, and abortion. Answer his fears and escape from tomorrow; the opening begins.
