Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There can be no greater example of a Godly leader than the man Nehemiah, and there can be no greater guidebook for leaders than the book bearing his name. Nehemiah entered into a task that was gargantuan. The walls of Jerusalem were leveled. nothing but rubble. He needed to build them. As he set about the task, he encountered enemies and impediments to the project, both from within his team and from without. He needed to battle them. And all the while he was building. and battling. he was also leading his people to become all they should be for God. This is the three-fold theme of Nehemiah - building, battling, and becoming. Digging Into Nehemiah digs into all three topics, showing us how when we face rubble in our lives, or enemies to our progress, we can build and battle and become all God wants us to be.
