Hodder Stoughton General Division, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. I m not the girl men choose. I m the girl who s charming and funny and then drives home alone wondering what she did wrong. I m the girl who meets someone half-way decent and then fills in the gaps in his character with my own imagination, only to be shocked when he s not the man I thought he was. I m the girl who hides who she really is. Frannie has spent her life disguising who she really is for fear of falling short of other people s expectations. And when she meets her new boss, Frannie can t help but wish she was just a bit more like her. Because Emma has it all: the job, the lifestyle, the happy marriage. even the perfect dog. But everything is not as it seems. And Frannie s about to find out - in the hardest way possible - that chasing perfection isn t necessarily the route to the happy life that she s always imagined it to be. A heartbreaking and romantic story about love, life, friendship and the true importance of chasing your own dreams.
