Tony Bacon/Gareth Morgan: Paul McCartney - Bassmaster (Paperback)

By Tony Bacon, Gareth Morgan

BACKBEAT BOOKS, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Paul McCartney is one of the best pop bass players in the world, and he was at a creative peak during the time he played with The Beatles. This is the first book to present a musical analysis of his consistently inventive and influential bass playing of the period. At the core of the work are full transcriptions (including Tab and chord names) of ten of McCartney's most revered bass parts: You Won't See Me, Drive My Car, The Word, and In My Life from Rubber Soul; the classic b-side Rain; Taxman and I'm Only Sleeping from Revolver; Lovely Rita from Sgt Pepper; Dear Prudence from the White Album; and Something from Abbey Road. Each of these ten key tracks is taken apart and examined in detail to show today's bassists how much we can still learn from McCartney's remarkable playing skills. How does his phrasing and choice of notes shape each bassline? What are McCartney's melodic sources, and how does this relate to his abilities as a songwriter and composer?...

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

-- **Dr. Willis Walter**

Here is the finest publication i have read through until now. I am quite late in start reading this one, but better then never. I am just easily can get a pleasure of studying a created publication.
