

Real World Clinical Social Work: Find Your Voice and Find Your Way

Filesize: 9.53 MB

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

(Trent Monahan)

REAL WORLD CLINICAL SOCIAL WORK: FIND YOUR VOICE AND FIND YOUR WAY

New Social Worker Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Social work graduate school is only the beginning of your preparation for professional life in the real world as a clinical social worker. Dr. Danna Bodenheimer serves as a mentor or a supportive supervisor as she shares practice wisdom on topics such as thinking clinically, developing a theoretical orientation, considering practice settings, and coping with money issues. She addresses the importance of supervision and how to use it wisely. A frank discussion on the important and rarely-talked-about issue of loving one's client is followed by a practical look at next steps-post-graduate options and finding your life's work in clinical social work. Altogether, Real World Clinical Social Work will serve to empower you as you find your own voice, your own way, and your own professional identity. What People Are Saying Reading Danna Bodenheimer's Real World Clinical Social Work: Find Your Voice and Find Your Way is like spending a weekend in a wonderful candid conversation with many of our favorite theorists! .In language that is accessible, oftentimes metaphoric, and yet not at all simplistic, this book also introduces us to some of the clinical experiences of clients and therapists through an interweaving of their stories and theories. Just prior to presenting us with a thoughtful array of post graduate options for further learning and development, Bodenheimer explores the dimensions and dilemmas associated with still-controversial subjects like clients transference and clinicians countertransference, including feelings of love. Whether just entering the world of a master's-prepared social worker or having spent decades as an agency-based or private practitioner, an educator, or an administrator in the social services, spending time with Real World Clinical Social...
