One day she had to ask herself the same question after diagnosed with stage four-breast cancer. She made the life changing decision to heal her self naturally without any chemotherapy or surgery. From her own personal healing experience and years of counseling others, Susan Z Rich identified a pattern of divine communication between the dreaming soul experiencing a life and the Divine coach within. Our life journey was not designed to be experienced with a beginning or an ending of a promised goal or reward. It is completely about experiencing the emotions of everything until the feeling of being separate from Oneness is no longer a reality the soul believes in. Susan Z...
