

The 13th Hour: The Book of the Beginning (Paperback)

Filesize: 6.71 MB

Reviews

This pdf will never be straightforward to get going on studying but quite enjoyable to read through. This is certainly for all those who statte there was not a really worth studying. You are going to like the way the blogger publish this publication.

AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The author has been a person who knew he was different from the majority, here for a reason. As a small child, magic beings told him things from time to time, passed as messages. He grew up knowing who he was, knowing to some extent his destiny. He knew that he would suffer a great deal, and be unable to convince others of what he needed to. He was in essence a white Witch, a true illuminatti with the ancient genes, a person who in later life as a consequence of what he became, and of later injury was to take up the practice of earth wizardry, celtic magic and natural healing. Throughout his life (pathway) he recieved messages. From various sources, some he believes and the earliest from Gaia, or earth, some from other life forms such as humans and animals, some from magic beings and fantastically some from alien illuminatti. He was inevitably labelled mentally ill and currently diagnosed psychotic, this book hopefully proves something about that little misunderstanding. The messages recieved in recent times which are thought to be a series of revelations for my people, before the astral alignment of 2012 and the begining of the new 5000 year cycle of movement. We return to the begining of a giant circle and repeat with new variables and ancient knowledge, we stride into the future, and share with you, in the hope you will grant us space to live. These are my messages, they are especially relevant to the following, White Magic People, Solitarys of all paths, Healers, Illuminatti, Monarch Slaves, EVERYONE WHO GREW UP BEFORE DECIMALISATION.
