Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

The book is filled with useful vocabulary that is carefully graded and easy to understand, it also comes with audio, so that you can listen to the story at the same time as reading. There has been a ghost in the house for three hundred years, and Lord Canterville's family have had enough of it. So Lord Canterville sells his grand old house to an American family. Mr Hiram B. Otis is happy to buy the house and the ghost - because of course Americans don't believe in ghosts. The Canterville ghost has great plans to frighten the life out of the Otis family. But Americans don't frighten easily - especially not two noisy little boys - and the poor ghost has a few surprises waiting for him. LIBRO.
