Createspace Independent Publishing Platform, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Whispers The Often Subtle Sometimes Rowdy Voice Of Truth is a little book with a big title, and even bigger stories. Stories told in a voice that might be sitting right next to you on your back yard deck, sipping wine and watching the moon rise. This is not a how to guide. It s a story book loaded with humor and wit, that nudges the reader to listen for their own intuitive Whispers. A refreshing change from the dull, often repetitious self-help books that clutter so many shelves. With every story shared, the author reveals her passion for living life as joyfully as rolling in the grass with a litter full of puppies. Her stories will make you laugh, (and maybe shed a tear or two), but in the end, you ll know what it means to listen for the Whispers of your own life.
