The Federal Acquisition Regulation (FAR) allows agencies to establish blanket purchase agreements (BPA) under the General Services Administrations (GSA) Schedules Program, where contracts are awarded to multiple vendors for commercial goods and services and made available for agency use. BPAs are agreements between agencies and vendors with terms in place for future use; funds are obligated when orders are placed. When establishing BPAs under schedule contracts, agencies must follow procedures regarding the number of vendors considered, request discounts, and conduct annual reviews in accordance with requirements. This report assesses selected agencies use of schedule BPAs and evaluates whether they considered more than one vendor when establishing BPAs and placing orders under them, took opportunities for savings, and conducted annual reviews. To conduct this work, GAO reviewed a sample of 336 schedule BPAs and 352 fiscal year 2007 orders and met with officials. This item ships from La Vergne, TN. Paperback.
