Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Great Speeches Mr. Mackenzie is one of the very first debaters in Parliament, and his speaking not only indicates with what strong powers nature endowed him, but how much is within the reach of assiduous cultivation. NO one on hear in g his first speech could have believed he would ripen into a consummate master of parliamentary discussion. He is always ready, be the subject what it may. His vast stores of poli tical knowledge have been amassed in the course of a life devoted to party warfare, on which probably an idle day never dawned. Mr. Forster, the present Secretary for Ireland, is the man he reminds me of but he is readier than Mr. Forster, and has a better style and better delivery.
