Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

Ropes, Gray Gorham, a summary of the inheritance laws of the various States of the United States. We have endeavored to make this summary as clear and concise as possible, without unnecessary details, and have particularly designed it for the information of non-resident stockholders. We give below (1) a list of those States having no inheritance tax; (2) a list of those States having an inheritance tax, but holding it inapplicable to non-resident stockholders in corporations organized under their laws; and (3) a condensed summary showing the rates of inheritance tax in the remaining States, preceded by an explanatory introduction. The laws of the several States are subject to change by further legislation. (1) List of States having no inheritance tax.
