Strategic Book Publishing. Paperback. Book Condition: New. Gino Bucci (illustrator). Paperback. 36 pages. Dimensions: 10.9in. x 8.5in. x 0.1in. Daniel is a tenacious preschooler who simply can't take no for an answer in his persistent quest to sample yummy peanut butter. Daniel's mother is always extra careful to make sure he eats foods that are healthy and safe. When his mother warns him not to eat peanut butter until he is older, Daniel decides to take matters into his own hands. Putting aside his mother's warnings - he sneaks a taste of the forbidden food - with consequences he never could have imagined. Follow Daniel as he experiences an allergic reaction and learns some important life-saving rules. No More Peanut Butter, Daniel! enlightens parents about the increasing number of children with life-threatening allergies. In working with young children, the authors realized that kids often do not understand why there are foods they cannot eat. Owning three private preschools has provided co-authors Tiziana Ciccone and Franca Linardi with an unlimited supply of inspiration for the books they write. Their sense of humour, vivid imagination, and realistic reflections of childhood experiences offer an interesting dimension to their stories for young children. These two gifted writers will be endearing themselves to the hearts and minds of children for many years to come. This is their second published book and they have written several others. They live in Richmond Hill, Ontario, Canada. Publishers website: <http://sbpra.com/TizianaCicconeandFrancaLinardi> This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
