

The Physics of Success, 2nd Edition: Getting the Car You Want from the Universe You Live in (Paperback)

By Michael Ciarochi

Samiski Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Physics of Success examines human behavior and consciousness in the context of classic and contemporary physics. The result is an extraordinary insight into how and why things happen in your world. Michael Ciarochi uses humor and real world examples to illustrate the concepts set forth in the text. In it you will find: A discussion of the Universe and your place in it. A description of the different levels of consciousness. A review of the amazing world you live in, and how it affects your level of achievement. A complete how-to guide to the use of basic Success Principles and a detailed explanation of why each of these principles are important. A comprehensive description of the science of physics as it applies to your life. It includes classical physics (e.g., Newtonian physics), the special characteristics of matter described by Einstein in his Theories of Relativity, a review of Quantum Mechanics, and finally how Supersymmetric String Theory has expanded our understanding of our amazing Universe. A discussion of the meaning of time. Throughout the book, how physics actually applies specifically to...
