Blue Voice is a book about a young man who contemplates life through words as he develops and grows. Over the years, passion, love, betrayal, pain and happiness visit him and re-shape his ideas about life and people. Blue Voice is a Journey of Thoughts, as one of the poems is titled. This poetic journey starts in Waiting and continues in Aladdin's own Paradise passing through Loneliness, fear, randomness and mixed feelings giving a Paradoxical Moment or two for the restless soul. Blue Voice is a collection of poetry that uses simple language and tries to connect to simple daily events; first love, first break up, first loss and gain. The poetic language does not try to challenge but tries to connect to the heart. Blue Voice is a book to carry around and read when you feel some emotions gathering inside. The poems may make you laugh, may make you sad but you will see the simplicity and goodness of human soul.
