Dog Ear Publishing, United States, 2007. Paperback. Book Condition: New. 223 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Richly punctuated with stories and illustrations, Two Eggs, Three Yolks is a practical guide to learning to hear the Lord or to hear Him better. It is didactic, prophetic and personal- an invitation to hearing by way of teaching, exhortation and example. The centerpiece, an extended illustration of how the hearing process functions in practical application, and from which the title derives, details how Allen and Jan were led to adopt their three Russian children. The book is both intensely charismatic and solidly evangelical- a spiritual guide for believers, and an interest-piquer for unbelievers. Using the themes of adventure and romance, Two Eggs, Three Yolks begins by enticing the reader to step into what the book has to offer: the opportunity to be in a living and active relationship with God by learning to hear and follow His voice. Part One sketches the events in the authors personal backgrounds and histories which set them on the own journey to hearing, and which changed the very course of their lives. Part Two begins by examining why God speaks, follows with the nitty gritty mechanics of beginning and developing the disciplines of hearing, including small group participation and journal keeping, and continues with an examination of the ways in which God speaks, concluding with looks at such issues as discernment, blocks to hearing, problems in learning to interpret, and, ultimately, teaching others to hear. Part Three is a full-blown life example drawn from the authors own profound experience of being led to the adoption of their three Russian children. The book concludes with two appendices, each consisting of a selection of twelve words: the first on various topics...
