Reviews

Thorough guide for pdfenthusiasts. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way which is only soon after i finished reading through this pdf by which really altered me, change the way i believe.

(Dr. Rowena Wiegand)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Special. Language: French . Brand New Book ***** Print on Demand *****. Depuis une petite vingtaine d annees, un nombre sans cesse croissant de nouvelles maladies font leur apparition. Microbes et bacteries deviennent de plus en plus resistants, a tel point que notre arsenal pharmaceutique sera sous peu totalement obsolete, bien avant la mise au point de nouveaux antibiotiques. Face a ces deux phenomenes preoccupants, la medecine conventionnelle, l allopathie, est de plus en plus demunie, pour ne pas dire totalement impuissante. Est-ce la fatalite, ou autre chose ? Un mal sournois, invisible, dissimule dans l ensemble de ce qui fait notre quotidien a tous, et volontairement propage par une industrie agro-alimentaire et une mafia pharmaceutique toujours avide de profits. Toujours plus, encore plus, et a la fin il ne restera plus rien, hormis une planete a l agonie et des humains hagards qui subiront un monde dans lequel il ne maitrise plus rien, excepte la telecommande d un poste de television qui les conditionne chaque jour un peu plus a l acceptation du desastre et de l inacceptable. Ce livre n a pas pour vocation de faire le proces de qui que ce soit, il y en aurait trop a dire, trop de gens a pointer du doigt. J ambitionne simplement de pouvoir aider ceux qui sont encore capable de penser par eux-meme. EDITION SPECIALE: CONTIENT LE PREMIER VOLUME DE COMPLEMENTS ALIMENTAIRES - LES DERNIERS REMPARTS CONTRE LA MALADIE.
