Behind, the rising bank was thick with trees and shrubs ablaze with colour, overspread with the delicate tracery of lianas and, creeping plants. Here was a spot of red, there a dash of orange; at intervals the pale yellow flowers of climbing gourds and the mauve blossoms of convolvuli peeped from the wall of vivid green. Tiny rills made music as they trickled through the foliage; and near at hand was a path trodden by herds of antelopes as they came to drink. Before, rolled the brown waters of a broad river, rippling over whitened rocks in the bed, or over the gnarled limbs of fallen trees. Here, on a sandy islet, flashed the scarlet and blue of little kingfishers, contrasting with the sober grey of the bittern, or the black and white of the vulture. A giant heron perched on a low overhanging branch, gazing solemnly at the ibis standing solitary by a distant bush.
