Reviews

It is a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

TAKE CARE, SON: THE STORY OF MY DAD AND HIS DEMENTIA

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Take Care, Son: The Story of My Dad and his Dementia, Tony Husband, Hi Dad .can we have a chat about your dementia .Can you remember how it started? When Ron Husband started to forget things - dates, names, appointments .daft things, important things - it took a while to realise that this was 'a different form of forgetting'. But it was just the first sign of the illness that gradually took him away from the family he loved. This is the touching, illustrated story of Tony's father and how dementia slowly took him away from his family. The title is a reference to his last words to his son - on a day when Tony had spent the day in the care home with no sign of recognition. The book is framed as a chat between Tony and his dad, who fades away through the last few pages of the book. ".rather wonderful cartoon strips .chronicling his father's dementia with loving charm and wit." Stephen Fry, Twitter.
