Lentz Leadership Institute, LLC. Paperback. Book Condition: New. Paperback. 256 pages. The Refractive Thinker Press is proud to present: The Refractive Thinker: Volume IV: Ethics, Leadership, and Globalization. The Refractive Thinker celebrates the accomplishments of the doctoral scholars contained within the pages of their fourth volume: Ethics, Leadership, and Globalization (256 pages,). The goal is to ask and ponder the right questions; to dare to think differently, to find new applications within unique and cutting edge dimensions, ultimately to lead where others may follow or to risk forging perhaps a new path entirely. The goal of this series is to provide additional guidance one might need as a citizen of the world. For Volume IV, these scholars and authors provide readers with new lenses with which to explore ambiguity and to navigate turbulent waters offering new paths to success. Topics will include ethics, leadership, and various global concerns currently affecting the business landscape. Discover additional answers to consider and the many pearls of...
