

Where Do Babies Come From?: Our First Talk about Birth (Hardback)

Filesize: 7.28 MB

Reviews

It in a of the best ebook. It is one of the most incredible pdf i actually have go through. I am just easily will get a satisfaction of looking at a composed book.
(Elisha McCullough)

WHERE DO BABIES COME FROM?: OUR FIRST TALK ABOUT BIRTH (HARDBACK)

[DOWNLOAD](#)

Orca Book Publishers, 2015. Hardback. Condition: New. Language: English . Brand New Book. An engaging introduction for very young children to the basic facts of life in a way that is gentle, age-appropriate and accessible. Child psychologist Dr. Jillian Roberts created the Just Enough series to help parents and caregivers approach difficult subjects with little ones. These primers offer a gentle and accessible starting point for conversations about important topics. Research shows that children are learning about sex at an increasingly young age and often from undesirable sources. The QA format, with questions posed in the child's voice and answers starting simply and becoming gradually more in-depth, allows the adult to guide the conversation to a natural and satisfying conclusion. Additional questions at the back of the book allow for further discussion. Where Do Babies Come From? is the first book in the Just Enough series. Other topics in the series include death, cultural diversity and separation or divorce.
