Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

I connected with her words and the story woven within. Ms. Strigas book is beautiful, emotionally raw and completely captivating. -Paris Andren, author of Pointe of Darkness I have never read a poet who speaks my thoughts right back to me the way Christina Strigas does. Whether she's writing about drinking shots of Metaxa and Greek coffee for six days straight or how his words were like scissors snipping the thread to let out her soul, I can feel every word. -Chrissi Sepe, author Your Ink on My Soul reached in and tugged at emotions I had forgotten ever existed within me. And now, like any great poetry book, I find something new, something much deeper, each time I read it and I want more. - April Green, poet, author of Earthsong This chapbook is an introduction into the work of Christina Strigas. Her full length poetry book In My Own Flood is soon to be released. This poetry collection stems from concrete-form, to event-form, to list-form, to free-form/verse to prose. The poems are raw and unpredicable. Themes in this chapbook include; romance, hope, aging, depression, feminism, childhood and the list goes on. It is a refreshing read that...
