Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from A History of State Education in Victoria, Vol. 1 The publication of this book is one among the many things I am proud to say my Department is doing at the present time to commemorate the jubilee of the passing of the Education Act 1872, with its provisions of free, secular, and compulsory education for the children of Victoria. In its pages is presented subject-matter of vivid interest to the parent whose children are participating in the advantages of a liberal education; to the citizen concerned in the well-being of the community and the making of wise laws; and to the student of social history, in which the measures taken to provide education play so prominent a part. As the story unfolds, the reader is able to trace the gradual development of our far-reaching arrangements to provide all our children with the elements of a sound education, and those specially gifted with continued training up to the technical school and the University.
