Dodo Press, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Having been most cordially granted permission to republish these letters in a collected form, it is my duty to mention that my mission from the Daily News was absolutely unfettered, either by instructions or introductions. It was thought that an independent and impartial account of the present condition of the disturbed districts of Ireland would be best secured by sending thither a writer without either Irish politics or Irish friends-in short, one who might occupy the stand-point of the too-often-quoted intelligent foreigner. Hence my little book is purely descriptive of the stirring scenes and deeply interesting people I have met with on my way through the counties of Mayo, Galway, Clare, Limerick, Cork, and Kerry. It is neither a political treatise, nor a dissertation on the tenure of land, but a plain record of my experience of a strange phase of national life.
