Neuware - Do you ever wonder if there really is a God Do you want to know--once and for all--whether we evolved or were created Do you ask yourself if the Bible really contains truth or is loaded with errors And what about Jesus Did he really walk the earth Was he a good man and teacher or God on earth who died and rose from the dead If you have questions on any of these, you've come to the right place. Evidence for Hope boldly asks and answers the tough questions, building the case for biblical truth, based on historical, scientific and eyewitness evidence. If you've read other books on this subject but came away with questions, you'll get them answered here in a way that is easy to understand. Whether you are a skeptic, a searcher, or a Christian, this book will bring you face to face with Jesus and the truth about who he is. And it will provide you with concise, memorable facts and references to back up what you learn here. The author, Robert Valiant, has gone through skeptical periods in his own life. A graduate of Gettysburg College in Pennsylvania, he has been gathering evidence to strengthen his own faith for over twenty years. The results of his research and discovery are contained in this book. 72 pp. Englisch.
