Mystic Pig Productions, an Enlightenment Company, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why am I f d up? explains the spiritual truth behind the chaos in the world. Everyone experiences physical, emotional and mental pain at some time in their life, Why am I f d up? gives you the necessary tools to understand and then overcome the pain. If your life seems f d up, there s a mental or emotional reason for it. Your inner child, subconscious mind, karma, destructive thoughts, spirit attachment, group consciousness, or the fact that you ignore the pain, all add to the reasons your life is ostensibly f d up. Through years of working as an Empathic intuitive, spirit medium and past life therapist, Pamela discovered the reality behind the suffering of our world. The more you understand the real reasons behind the suffering, the better chance you have of eliminating it from your life. Why am I f d up? has spiritual insight for all levels of seekers. Pamela s down to earth guidance will literally help you change your life. Human beings will spend a full year s salary on a shiny new car, yet won t spend a dime on the soul driving it. There s barely enough time to eat, sleep, and work, let alone make space in the Blackberry for self-awareness. This lack of attention, or attention misdirection, is what causes you to be f d up.
