

Clare W. Graves: His Life and His Work (Paperback)

Filesize: 6.9 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Erica Turcotte)

CLARE W. GRAVES: HIS LIFE AND HIS WORK (PAPERBACK)

[DOWNLOAD](#)

iUniverse, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.No one has influenced our understanding of culture and value systems as much as Clare W. Graves, US American professor of social psychology and originator of the emergent theory of human development. His relevance to the field of consulting and organizational development is indisputable. However, only few authors have dealt with Gravess original data. This book is the worldwide first summary of Gravess original studies, audiotapes, and notes, as well as a complete biography and comprehensive explanation of its scientific relevance in regard to human development. Rainer Krumm and Benedikt Parstorfers intent is to spread the knowledge and wisdom of Graves and his extensive studies and offer the interested reader a thorough understanding of his original work and various applications.
