HarperCollins is proud to present its incredible range of best-loved, essential classics. `She promised her godmother that she would not fail to leave the ball before midnight, and away she went, beside herself with delight. Charles Perrault s time-honoured stories have been passed down from the seventeenth century to the present day, giving us the classic fairy tales that people of all ages know and adore: Cinderella, with the glass slipper that will fit her foot alone; the princess who is cursed to sleep for a hundred years until true love s kiss wakes her; Little Red Riding Hood and the wolf, and many, many more. Like the Brothers Grimm after him, Perrault took childhood fears and turned them into inspiring fantasies. Full of humanity and a surprising wit, the impact these fables has had on imaginations young and old cannot be overstated.
