IMPLEMENTATION OF GENETIC ALGORITHM IN POLARIZATION CONTROL SYSTEM

Implementation of Genetic Algorithm in Polarization Control System

LAP Lambert Academic Publishing Mrz 2018, 2018. Taschenbuch. Condition: Neu. Neuware - In this study, a polarization control system with an embedded genetic algorithm has been developed. The objective is to implement endless and accurate control with adaptive characteristic. To achieve this, Genetic Algorithm is used which consumes low size of memory besides providing high speed. To have an economic system, the PIC32MX microcontroller with 72 MHz speed is chosen. Throughout this study different genetic parameters have been examined to...

Reviews

Complete information! Its such a great study. It is probably the most amazing book i have got study. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Mr. Roger Luettgen III**

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

-- **Imogene Bergstrom**

A top quality ebook and also the font employed was interesting to read. This is for those who statte there was not a worth studying. Your life span will probably be enhance when you total looking at this ebook.

-- **Billy Christiansen**
